

MT-1009A

Touch Lighting controller		No.	ED-03-2009A0-1009A
Client		Model	MT-1009A
Client code		Date	
Size	49.5×35×15.5mm	Color	Black
		<h3 style="text-align: center;">Wiring</h3> 	
Wire size	G	1015/20 [#]	Brown wire is the common wire to link with lamp -(N) and power -(N); blue wire connects to power +(L), red wire connects with lamp +(L); yellow wire connects with the metal body of lamp Note: Please connect correctly based on instructions in case of damage.
	R	1015/20 [#]	
	B	1015/20 [#]	
	W	1015/20 [#]	
Function	4 steps dimming: weakt/1 st touch; brighter/2 nd touch; brightest/3 rd touch, off/4 th touch		
Input Voltage	220~240V/60Hz	Maximum Loading	Incandescent lamp 150W/230V or 40W triac dimmable bulb
Voltage tolerance	1500V AC/1mA/60s		Terminal wire & power supply wire
Certificate	CE		
Application	Suitable for lamp with metal body such as desk lamp, floor lamp and deside lamp, LED triac bulb etc
